

Futured 3rd Grade Calusa Elementary School Students
"FOR SAFETY PURPOSES, NO ROLLING BOOKBAGS
WILL BE ALLOWED IN SCHOOL"

Parents,

Summer is almost here!!!! 2nd grade is quickly coming to an end and 3rd grade is around the corner. We need your HELP in assuring that the upcoming school year has a great beginning. From day one we want our students to be ready to learn. So that we accomplish our goal, we are providing you with the tentative supply list necessary for students to successfully commence the first day of school. The academic progress and safety of the students is very important to all of us.

The 3rd grade building is unique. The classes are smaller than those of the other classes in our school buildings. Therefore, we are requesting that no rolling bookbags be used by our 3rd grade students. Students have the flexibility of having on-line resources minimizing the materials needed to be carried in their bookbags. Supplies and notebooks will be kept at school. Regular bookbags are more than sufficient to carry what is needed for homelearning. We greatly appreciate your support and understanding this matter.

3rd Grade & Gifted Third Grade
